

Propel Your Career Forward

as a Certified Defense Financial Manager™ (CDFM)

Advance professionally

The CDFM is one of the DoD-approved test-based certifications recommended for individuals with DFMCP Certification Levels 2 and 3. It is also one of only five certifications designated by the DoD as an alternative to fulfill the DFMCP requirement!

With its rigorous and thorough requirements, the highly-regarded CDFM:

- » Equips you for the next level in your professional journey
- » Demonstrates your commitment to excellence and your drive to succeed
- » Adds a valuable credential to your resume that can be used both in DoD and the public sector
- » Prepares you to lead your organization into the future

Enhance your knowledge and skills in key areas

Gain deeper knowledge in the areas you draw upon every day. Expand the skills that current and future employers are looking for in candidates. Learn what you need to succeed!

The following core competencies are covered in each examination module:

- » Module 1: Resource Management Environment
- » Module 2: Budget and Cost Analysis
- » Module 3: Accounting and Finance
- » Module 4: Acquisition (Optional—must pass to achieve CDFM-A certification)
